Summary

Lot B is standard floor option for this Procurement. There are two Ford Transit Chassis Options on this Procurement. The body of the vehicle is not altered and is kept in original factory form, retaining the front driver and passenger seats.

Pages 2-4 describe the features and benefits of the LOT B offering, Pages 5-6-7 are floor plans to review for the lift installation choice – Side Entry and Rear Entry. Page 8 shows Elevations, Pages 9-10 are color choices and Page 11 is the order summary page where you simply fill out the desired colors offered then add in additional seats / tie-downs and total up your selections.

Ford Transit High Headroom Wagon - AbiliTrax Flexible Floorplan
